MISCHIEF NIGHT '1

LADY DEATH

The Source Of Fear

Lady Death has found herself ALIVE and once more on the planet Earth, in New York City, but without any memory of who she was. She has been befriended by VIRGIL SOLOMON, the ghost of a slain police detective, and has, in turn, befriended young SARAH WILSON who, with her brother Tommy, lives with their Uncle Ralph. Sarah was kidnapped by the DARK ONE -- an avarai of the CHAOS Lords -- and nearly sacrificed to them, a fate averted only by the intervention of Lady Death and the mysterious REAPER. But not before some of the Chaos master entered into Sarah.

Continuity note: This story takes place after the events depicted in Lady Death: Alive #4.

Your monthly News Source on

all things Chaos! - OCTOBER 2001

#49

From the Crypt

Ahhhhh October, our favorite time of year and this year looks to be extra special.

First we start out with the return of EVIL ERNIE! So many of you missed this fine young man begging for his return and I couldn't help but comply. To make his return extra special, we are bringing him back on Wednesday October 31st - Halloween! This story is a wild one and I'm not giving away details.

And then, there's the amazing Evil Ernie limited edition bust! This sculpt by Rudy Garcia is so exacting it is positively chilling. And the special edition is blood-splattered under my personal direction (so it is very over the top).

But that's not all. For those of you willing to dare, I invite you to our annual Fiend Fest celebration at Chaos! headquarters (Scottsdale, AZ) on October 19, 20 and 21. It is a three day celebration of all things Chaos! This year we have special guest Jerry Beck (Evil Ernie Returns #1 ICP). I will be the master of ceremonies and I'm looking to have a blast! For more information see ads elsewhere in this book, call our toll free customer service line 1-888-CHAOS13, or go onto our website www.chaoscomics.com.

And that's not all either! We will have a world premiere signing of Evil Ernie Returns #1 at the world famous Atomic Comics in Mesa, Arizona on Halloween! We will feature portfolio reviews and a Halloween Horror costume contest with over \$500 in cash and prizes. Atomic Comics is located at 1310 W Southern Ave in Mesa, AZ 85202.

All in all, October is shaping up to be a nasty good time here at Chaos! join us won't you?

Swom,

-Brian Pulido

PS - Remember, Evil Ernie Returns #1 is coming out on October 31, 2001 - Halloween! Reserve 20,000 copies NOW!

PULIDO'S NEWEST: THE UNDEAD!

When Chaos! founder Brian Pulido dips his hand in the creative pool, it's a special event, right? Last year, he debuted Bad Kitty. This fall, he brought Evil Ernie back to the land of the...living, and come early 2002, he'll unleash his newest horror on the world - The Undead, the first release in Chaos!' new imprint: Pulido's Black Label.

What's the deal with Pulido's Black Label? Why start a new imprint? To answer Fiend demand, of course. Look at it this way - while we've never submitted our books to any outside rating agency, such as the Comics Code Authority, we've always aimed our books at a middle-of-the-road sensibility when it comes to horror. We didn't show everything in graphic detail, but we didn't shy away from showing enough so Fiends knew exactly what was going on.

Now, the gloves are off. Hearkening back to the hardcore comics he loved as a teen, Black Label is Brian's way to recapture the feeling of true, hardcore comics for true hardcore readers. Titles that come out under the Black

Label imprint will be in your face stories with horrific imagery straight out of Brian's worst nightmares - and he dreams in Technicolor with some of the wildest things you've ever seen. These books will offer up true shock value with Brian's characteristic horror and supernatural elements thrown in as well. These aren't books for younger readers to look at and giggle - these are the real deal. If they were movies - hell, a major studio would get squeamish. They're that hardcore.

Kicking the imprint off in grand

style is The Undead, which hits shelves in January. You can get a sneak peak at the horror and mayhem to come in December with The Undead Ashcan - a sneak peek at what will become a hardcore horror comic fan's favorite book! Limited to just 1,000 copies, this book features sketches, scripts, and all kinds of notes on who's who and what's what. Miss it, and you won't be cranked for the hardcore horror event of 2002!

PETER DAVID WRITES THE HAUNTED

With the Vandala II one-shot under his belt, the waters have been tested, and respected comic writer Peter David has decided to jump into Chaos! with the four-issue miniseries, The Haunted! Conceptualized and developed by Peter, The Haunted is about a group of teenage loners with something in common - they all have supernatural powers that they are just beginning to understand. Trouble is - there are evil forces all around them anxious to prevent them from ever realizing their true potential as individuals or as a group.

Look at it this way - The Haunted plays to David's strengths as a writer, both capturing the feeling of being teenage, like his characters in SpyBoy and Young Justice, while being different, and an outcast as a result of those differences, much like the Hulk, which David wrote for nearly a decade. Combining the two, The Haunted taps into the universal feeling of being different and misunderstood - this time, the teens are ostracized by their peers and community because they've got unexplainable powers.

While the miniseries will contain David's trademark wit and humor, this is a Chaos! book after all, and will have plenty of darkness interwoven throughout both due to the story, as well as due to the fact that the characters are teens living in today's world. "I challenged Peter to show us today's teen's lives - raw and uncensored," Brian Pulido explained. "What he's produced is a deep look into the underbelly of high school life today, wrapped in a supernatural thriller that will keep readers guessing. This is Peter David cutting loose in a way readers have not seen before."

So what's the story about? Set at Hamilton High, a cheerleader, a jock, a butch enforcer, and the school tramp have discovered that despite their social differences, they are bound together by the fact that they all possess strange powers. If that's not bad enough, a secret group is out to capture them all for their own nefarious purposes, and their only hope lies in befriending the creepiest kid in school. If they manage to stand together, they just might live. If they don't - they could wind up with one very dead student body.

Artwork on the series is by Nat Jones. For a sneak preview - be sure to look for The Haunted ashcan, on sale December 5, one week before The Haunted #1 hits the stands!

LADY DEATH TEAMS WITH CHASTITY

Straight from teaming Lady Death with Medieval Witchblade and wrapping up Legend of the Sage, Brian Augustyn is tackling two of Chaos!' iconic ladies - Lady Death and Chastity in a crossover. Fiends have been begging for!

The setup? Taking place after Lady Death: Alive, Lady Death/Chastity pairs the mortal Diva of Death with the feisty vampire in New York City. And hey - if they can make it there...

And you can bet that these two aren't just getting together for some 5th Avenue shopping - both are notorious for their independence, so what could force them to team up? How big must the threat be for two of Chaos!' most lethal ladies to join forces?

Pretty damn big.

With art by Lady Death/Bad Kitty artist Carlos Mota, Lady Death/Chastity ships in a standard version, as well as a premium cover edition, sporting a painted cover by Scott Lewis which features the two lovelies atop a gothic cathedral. Miss this one, and you'll be wondering what all the other Fiends are talking about this December...

WE'LL PUT THE SHIRT ON YOUR BACK!

Looking to show your Chaos! Feindom to the world in a whole new way? You've gotta get one of the new Chaos! logo shirts coming out this fall! We're offering up both a T-shirt and a long-sleeve shirt for your wearing pleasure, both of which feature the ultra-cool reskyled Chaos! Shield logo on the back, and the Chaos! logo on the front. The colors - black, white and red of course! It's the perfect addition to any Fiend's wardrobe.
